BACINO DI SAN MARCO

How to get there

By car

Park your car in one of the municipal paid parking lots or the car terminals in Piazzale Roma or Tronchetto, then:

- by water-bus - Line 2 - disembark at the San Zaccaria stop and walk along Riva degli Schiavoni, with the lagoon to your right. After the Church of the Pietà, turn left into Calle della Pietà, continue along Calle Bosello and turn right when you reach Salizada dei Greci. After the Sant'Antonin bridge, turn left into Fondamenta dei Furlani; at the end of the Fondamenta you will find the Palazzo Schiavoni.
- by private water taxi, in less than 20 minutes you will disembark directly in front of the entrance to the building.

By train

From Santa Lucia train station:

- by water-bus - Line 2 - disembark at the San Zaccaria stop and walk along Riva degli Schiavoni, with the lagoon to your right. After the Church of the Pietà, turn left into Calle della Pietà, continue along Calle Bosello and turn right when you reach Salizada dei Greci. After the Sant'Antonin bridge, turn left into Fondamenta dei Furlani; at the end of the Fondamenta you will find the Palazzo Schiavoni.
- by private water taxi, in less than 20 minutes you will disembark directly in front of the entrance to the building.

By plane

From Marco Polo Airport go to the Darsena area (harbour), about 10 minutes walk from the Terminal, then:

- on the Alilaguna shuttle, disembark at the Arsenale stop (about 75 min) and then proceed for about 10 minutes on foot. Keeping the lagoon on your left, turn into Calle del Dose and continue as far as Campo Bandiera e Moro. Cross the Campo diagonally, turn left immediately and continue along Salizada S. Antonin. At the bridge turn right into Fondamenta dei Furlani; at the end of the Fondamenta you will find the Palazzo Schiavoni
- by private water taxi, in less than 30 minutes you will disembark directly in front of the entrance to the building.

From Treviso San Giuseppe Airport take the ATVO shuttle bus, which coincides with the arrival of major flights, as far as Piazzale Roma (bus terminal) then:

- take the water bus - Line 2 - disembark at the San Zaccaria stop and walk along Riva degli Schiavoni keeping the lagoon to your right. After the Church of the Pietà, turn left into Calle della Pietà, continue along Calle Bosello and turn right when you reach Salizada dei Greci. After the Sant'Antonin bridge, turn left into Fondamenta dei Furlani; at the end of the Fondamenta you will find the Palazzo Schiavoni.
- by private water taxi, in less than 20 minutes you will disembark directly in front of the entrance to the building.
